Working Without A Permit

1. Fee for starting work without a permit - Twice the basic permit fee - minimum of \$150.00 additional.
2. Fee for starting and substantially completing the work without a permit - basic permit fee plus \$300.00.
3. Habitual Working Without A Permit Assessment of a \$300.00 fee one (1) time in any twelve (12) month period shall result in a \$1,500.00 working without a permit fee for subsequent violations. This higher fee schedule shall remain in effect for a twelve (12) month period beginning with the date of the first \$300.00 assessment. Payment of this fee shall be received prior to issuance of any further permits. Further, the Inspections Director may suspend credit account privileges, and file misconduct charges with the appropriate licensing board. (1/16/90)

Failure to obtain a final inspection immediately upon completion of work \$300.00

Extra Inspections/Reinspections \$ 80.00

The above fees entitle the contractor or applicant to the necessary rough-in inspections and one final inspection. Extra inspection or inspection trips made necessary through the failure of any person, firm, or corporation in charge of work, to give specific locations of work to be inspected or failure to install work according to code regulations, are hereby designated "Extra Electrical Inspections/Reinspections"
